Welsh Language Scheme

The Council strives to deliver the best possible service for the population of Flintshire, and part of how we achieve this is by offering a bilingual service. We therefore encourage others who provide services to the public in Flintshire to use the Welsh Language in their service delivery, and we will be pleased to offer information about sources of advice, assistance, translation and grants to those who wish to do so. For details contact the Corporate Support Officer (Welsh Language) on 01352 702426.
