1. Introduction

- 1.1 Flintshire County Council (the Council) encourages a free and open culture in dealings between its managers, employees and all people with whom it engages in business and legal relations. In particular, the Council recognises that effective and honest communication is essential if concerns about breaches or failures are to be effectively dealt with and the organisation's success ensured.
- 1.2 The Council aims to create an environment where an individual (employees or member) or a third party (supplier / contractor/volunteers) feels able to share their concerns internally in confidence and does not suffer any detriment or victimisation as a result of making a protected disclosure.
- 1.3 Flintshire County Council are committed to this policy and to maintaining high ethical standards. If you raise a genuine concern under this policy, your concern will be taken seriously and you will not be at risk of losing your job or suffering any form of retribution as a result, even if the concern proves to be unfounded.

2. The Council's Commitment

- Individuals who reasonably believe that the disclosure they are making is true will not face sanctions.
- Anybody attempting to deter individuals from raising concerns or victimising them for doing so may be subject to disciplinary action.
- At the same time someone who maliciously raises a matter they know is untrue may also be subject to disciplinary action (where applicable).

3. Aims of the Policy

- 3.1 This policy sets out how to make a disclosure under the Public Interest Disclosure Act 1998. This policy is designed to provide guidance to all those who work with or within the Council, who may from time to time feel that they need to raise certain issues relating to the organisation with someone in confidence.
- 3.2 This Policy ensures that you receive a response to your concerns and that you are aware of how to pursue them if you are not satisfied.
- 3.3 Procedures for raising concerns internally (within the Council), members and externally are given. When raising concerns internally we would encourage you to follow procedures 1 and 2 but if you feel you cannot do

so, please follow the procedure 3 rather than doing nothing. For members and concerns raised externally procedure 3 should be followed.

- 3.4 This policy should be read in conjunction with the Council's Anti-Fraud and Corruption Strategy and the Fraud and Irregularity Response Plan which can be found on the Council's website and Infonet.

4. Definitions

- 4.1 Whistleblowing is the raising of concern, either within the workplace or externally, about a danger, risk, malpractice, wrongdoing or unethical practices which affects others. It is primarily for concerns where the interests of others or the organisation itself are at risk.

- 4.2 **Fraud:** for the purpose of this policy fraud refers to where an individual has undertaken, or intends to undertake, actions in order to obtain gain for him/herself or another, or cause loss to another, or expose another to risk of loss. The term 'fraud' encompasses:

- Fraud by false representation;
- Fraud by failing to disclose information; and
- Fraud by abuse of position.

Descriptions of the above can be found within the Fraud Act 2006.

- 4.3 **Corruption:** for the purpose of this policy corruption refers to an individual who has given or obtained advantage through means which are illegitimate, immoral, and/or inconsistent with their duty to the Authority or the rights of others. Examples include accepting bribes or incentives during procurement processes and/or seeking to influence others.

- 4.4 **Malpractice:** for the purpose of this policy malpractice refers to actions which may be:

- illegal, improper, negligent or unethical;
- in breach of a professional code and ethics;
- possible maladministration, fraud or misuse of public funds; or
- acts which are otherwise inconsistent with the Officers Code of Conduct and Members Code of Conduct.

- 4.5 **Irregularity:** Any administrative or financial mismanagement that comes about either by act or omission.

- 4.6 This policy does not include grievances about your personal position. If you have a complaint that relates to personal disputes or your own terms and conditions of employment, this should be raised initially with your line manager and if the issue is not resolved by your line manager, the Grievance Policy should be followed.

6. Independent Advice

6.1 If you are unsure whether to use this policy or you want independent advice at any stage you should contact:

- The HR Department.
- Your Trade Union representative.
- The independent charity Public Concern at Work on 020 7404 6609. Their lawyers can give you free confidential advice at any stage about how to raise a concern about serious malpractice at work.

7. Confidentiality

7.1 We recognise that you may want to raise a concern in confidence under this policy. If you ask us to protect your identity by keeping your confidence, we will not disclose it without your consent apart from exceptional cases. For example, this could be in cases when the person raising the concerns will need to provide a statement and potentially appear as a witness in subsequent legal proceedings, or may be required to give evidence in a disciplinary hearing. In such as case the matter will be discussed with you in the first instance. It is also possible that the investigation itself may serve to reveal the source of information, although this will be avoided where possible.

7.2 This policy encourages you to put your name to your allegation, as concerns expressed anonymously are often much more difficult to investigate. However, we would prefer that you raised serious concerns anonymously than not at all. Anonymous allegations will be considered at the discretion of the Council.

8. Reporting Procedure

8.1 As an employee of the Council, when raising a concern you follow the reporting **PROCEDURES** described in **8.3** below and as detailed in Appendix D.

8.2 For Members and third party individuals (and their employees) you go directly to **PROCEDURE 3** of the reporting procedure and contact any one of those listed in the first instance. (As stated previously Members must, under the Model Code of Conduct (Wales) Order 2008, report through the Council's confidential reporting procedure, any conduct by another member or anyone who works for, or on behalf of, the Council which they believe involves or likely to involve criminal behaviour).

8.3 Reporting Procedures:

Procedure 1 Raise the issue first with your line manager in order for practices to be modified before they reach the point where problems are created or harm is caused. These issues will initially be dealt with informally where possible. This may be done orally or in writing.

Procedure 2 If you feel unable to raise the matter with your line manager, for whatever reason, please raise the matter with the next immediate line manager whom you trust, or with someone outside line management within the Portfolio. Please say if you want to raise the matter in confidence so that they can make appropriate arrangements.

Procedure 3 If these channels have been followed and you still have concerns, or if you feel that the matter is so serious that you cannot discuss it with any of the above, or you are a Member or third party please contact one of the following:

- the Internal Audit Manager;
- the Senior Manager, Human Resources & Organisational Development ;
- the Chief Officer (Governance) and Council's Monitoring Officer; and
- a Member of the Council, who will refer to the appropriate officer.

9. The Council's Response

9.1 The Council will assess the concern once it is raised, which may involve an internal inquiry or a more formal investigation. We will tell you who is handling the matter, how you can contact them and whether further assistance may be needed. If you request it, we will write to you summarising your concern and how we propose to handle it. Some concerns may be resolved by agreed action without the need for investigation.

- 9.2 While the purpose of this policy is to enable us to investigate possible malpractice and take appropriate steps to deal with it, we will give you as much feedback as we properly can within an agreed timescale. The length of time will depend on the nature of the concern. If requested, we will confirm our response to you in writing. Please note, however, that we may not be able to tell you the precise action we take where this would infringe upon a duty of confidence owed by us to someone else or being in breach of any statutory requirement.
- 9.3 The Council will ensure that an Officer with knowledge and experience of this procedure will be given the responsibility for obtaining initial information from the referrer. A trained and suitable Officer will also conduct any initial meetings that are required.
- 9.4 At an appropriate stage in any investigation due consideration will need to be given to informing the subject of the concerns raised. It will be necessary to do this to comply with the Council's duties under the Human Rights legislation. However, all efforts will be made to ensure that the source of the concerns remains confidential where possible. The source of the concern will not be disclosed without their consent apart from exceptional cases. For example, this could be in cases when the person raising the concerns will need to provide a statement and potentially appear as a witness in subsequent legal proceedings, or may be required to give evidence in a disciplinary hearing. In such as case the matter will be discussed with you in the first instance.

10. Appeals

- 10.1 If you are unhappy with our response, remember you can go to the other levels and bodies detailed in this Policy.
- 10.2 Whilst we cannot guarantee that we will respond to all matters in the way that you might wish, we will try to handle the matter fairly and properly. By using this policy you will help us to achieve this.
