

February 2025

Dear Resident

Changes to your recycling and non-recyclable waste collections

From **Monday 28 April 2025**, we'll **collect your non-recyclable waste** from your existing black bin **every three weeks**, instead of every two weeks.

As part of this change, we'll no longer collect recycling and non-recyclable waste on Saturdays. This means **your collection day might also change**.

Whilst your collection day might change, we'll continue to collect your:

- food waste, glass bottles and jars, mixed metals, plastics and cartons, cardboard and paper, and household batteries every week;
- nappy and absorbent hygiene products every week, if you're registered for this service;
- clinical waste every week, if you're registered for this service; and
- garden waste every two weeks between March and November, if you're registered for this chargeable service.

Before the changes take place where you live, you'll receive information confirming the changes and a calendar showing your new collection dates.

If you've not already received your letter and calendar, but would like more information about these changes in the meantime, please look at the Frequently Asked Questions on our website at www.flintshire.gov.uk/CollectionChanges or contact us.

You can also check your future collection dates by visiting our website or contacting us.

Did you know you can view personalised waste and recycling information for your home, as well as access other council services for your local area, by using our **My Account** online facility? If not, sign up today by scanning the QR code or visiting www.flintshire.gov.uk/MyAccountRecycling

Your **recycling** is making a **BIG difference** in **Flintshire**. Thank you.
Yours faithfully,

Alltami Depot, Mold Road
