

The following changes have been made to Appendix 1 of the Background Paper Consideration of Candidate Sites against the Preferred Strategy/Invitation for Alternative Sites to address anomalies:

Site Reference	Map Number	Original colour coding	New colour coding	New wording
CAR001	9	Green	Amber	The site complies with the Council's Preferred Strategy, however there are site constraints that would need to be overcome to allow the site to be developed.
FFY007	19	Green	Amber	The site complies with the Council's Preferred Strategy, however there are site constraints that would need to be overcome to allow the site to be developed.
FLI003, FLI007, FLI008, FLI017, FLI018, FLI019	20	Green	Amber	The site complies with the Council's Preferred Strategy, however there are site constraints that would need to be overcome to allow the site to be developed.
HK006, HK007, HK012	32	Green	Amber	The site complies with the Council's Preferred Strategy, however there are site constraints that would need to be overcome to allow the site to be developed.
HCAC015, HCAC025, HCAC029	34	Green	Amber	The site complies with the Council's Preferred Strategy, however there are site constraints that would need to be overcome to allow the site to be developed.
MOL008, MOL011, MOL026, MOL031, MOL047	39	Green	Amber	The site complies with the Council's Preferred Strategy, however there are site constraints that would need to be overcome to allow the site to be developed.

Please note: The above changes have occurred because the colour coding and wording was incorrectly entered prior to the commencement of the consultation, not in light of new information submitted during the consultation.
