

FLINTSHIRE COUNTY COUNCIL
SECTION 23 OF THE ROAD TRAFFIC REGULATION ACT 1984

PROPOSED PEDESTRIAN CROSSING ON GLADSTONE WAY, HAWARDEN

NOTICE is hereby given that the Flintshire County Council, in exercise of its powers under Section 23 of the Road Traffic Regulation Act 1984 and all other enabling powers proposes:-

- a) The installation of a Puffin Pedestrian Crossing at the location as described in the Schedule to this Notice.

Reason for Proposal: Flintshire County Council has identified Gladstone Way, Hawarden as a location suitable for a Puffin crossing facility. Flintshire County Council have been successful in obtaining funding to implement a permanent crossing facility at the location in which the School Crossing Patrol currently operates, which will aid sustainable journeys to school. The facility will benefit not only children travelling to and from school during regular start and finish times but also those attending morning or after school clubs when there is no patrol on duty or during absences. Additionally, it will serve the wider community by providing a safe crossing point outside of school hours.

The usual prohibition of vehicles stopping, waiting, loading and unloading on the carriageway within the areas marked by Zig Zag lines on either side of the crossing will apply.

A copy of this Notice and a plan showing the road affected by the proposal, may be inspected during normal opening hours at Buckley Connects Centre, Buckley Library, The Precinct, Buckley, Flintshire, CH7 2EF. The documents will also be available to viewed on our website at www.Flintshire.gov.uk > Resident > Roads, Streets and Travel > Traffic Regulation Orders or you can request a copy of the documents by emailing Streetscene@flintshire.gov.uk or by calling 01352701234.

Objections to the proposal, together with the grounds on which they are made, should be sent in writing to the undersigned by Friday 21st February 2025 or by emailing transportstrategyconsultation@flintshire.gov.uk quoting reference SS/TRO/JP/GWH/Puffin
