STATEMENT OF REASONS FOR PROPOSING TO MAKE ORDER

It is proposed to introduce a 50mph speed limit on the B5373 Gresford Road, Kiln Lane and Hope Hall Drive, Hope.

The B5373 junction with Kiln Lane, Hope has a historic collision record consisting of but not limited to, vehicles pulling out into the path of oncoming traffic, due to the restricted visibility from the Llay direction. The reduction in speed limit will facilitate safer egress out of Kiln Lane onto the B5373, whilst also assisting with road safety issues associated with managing the higher road speeds currently experienced along the route.

Following concerns raised in relation to the B5373 junction with Kiln Lane, It is proposed to introduce a 50mph speed limit on the B5373 Gresford Road incorporating Hope Hall Drive and a section of Kiln Lane.

Due to the restricted visibility from the Llay direction, vehicles frequently pull out into the path of oncoming traffic on the B5373 Gresford Road, resulting in near misses or collisions. The reduction in speed limit will facilitate safer egress out of Kiln Lane onto the B5373 and give drivers more time to react to vehicles turning at this location, whilst also assisting with road safety issues associated with managing the higher road speeds currently experienced along the route.

It is believed the introduction of the reduced speed limit, will help reduce vehicle speeds and will benefit all road users using these roads.

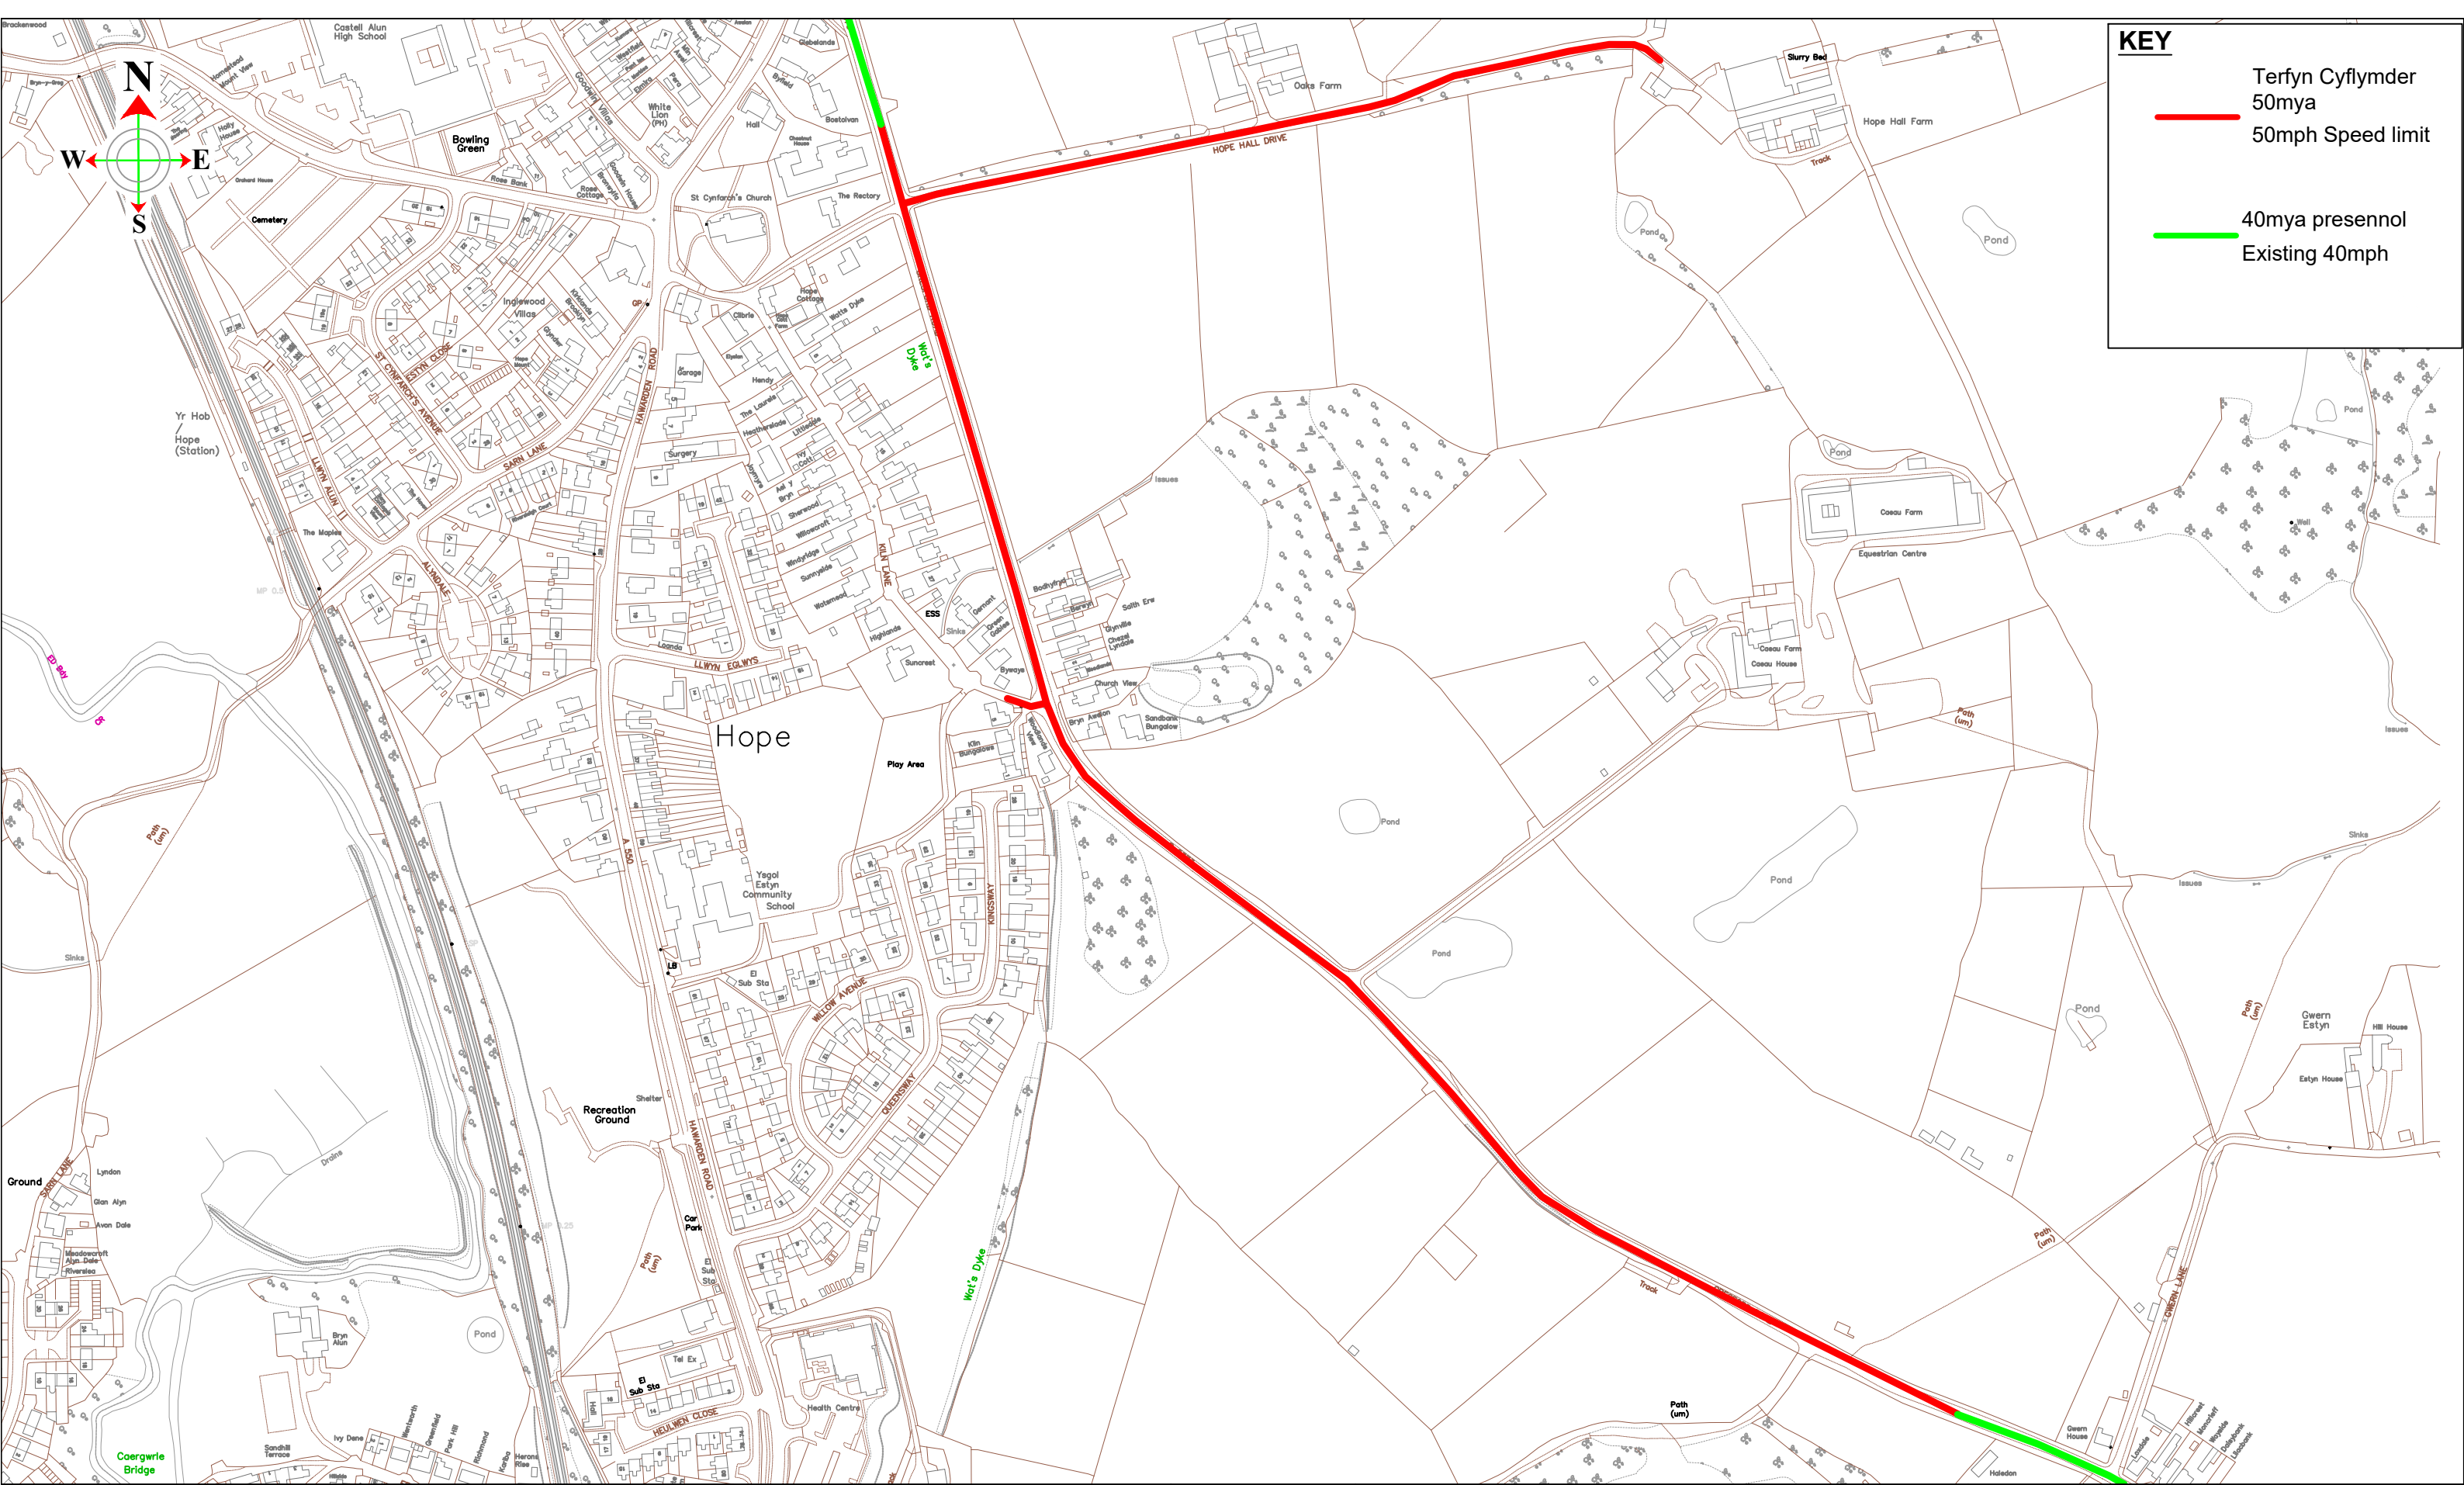

The County Council continues its responsibility to consider the provision of convenient and safe movement of motor vehicles and other traffic, and the proposed measures are aimed at ensuring that danger is minimised to all road users aswell as improving the area for residents, due to the close proximity of the residential properties to the B5373.

The proposals are detailed in the Public Notice and are contained in the proposed Draft Order.
