

**THE FLINTSHIRE COUNTY COUNCIL  
(VARIOUS ROADS) (20MPH, 30MPH, 40MPH, 50MPH SPEED LIMITS AND DERESTRICTED  
ROADS) ORDER 201-**

**Statement of Reasons for proposing to make the Order**

Flintshire County Council wish to make a Traffic Regulation Order, which will combine those current County wide speed limit Orders into a singular Order, as detailed in the accompanying Map Schedules excluding the A55 and A494 Trunk Roads, the Phase 1\* and Phase 2\*\* Speed Limit Review Orders and speed limits which cross County Boundaries

A number of anomalies exist within the current Speed Limit Orders and the singular Order will address these and as such, will establish appropriate, consistent and enforceable speed limits throughout the County. It will also confirm and support the speed limits in place at a given point in time and all other historical Orders will be revoked.

This approach will allow the Authority's speed limits to be easily accessible to members of the public as the easy to understand map based format can be viewed on Flintshire County Council's website.

The effect of the Order is to provide a more efficient system of administration and enforcement, relating to the speed limits within the whole of the Flintshire County.

This proposal is intended to avoid danger to persons or traffic by creating a more compliant speed limit Order across the whole of the County.
